

**Quinns Kids aims to offer an excellent OSHC service to the community including:**

- Longest opening hours as requested by families, 06:30 – 18:30
- Highly competitive fees, when compared to nearby OSHC services
- Fees absorbed by service for days that we are closed
- More experienced staff
- Regular and casual places for before and after school care
- A range of sessions to suit families' needs and CCS conditions during vacation care
- Not-for-profit and community focused

1. Fees to be paid one week in advance.
2. Families should apply for Childcare Subsidy, CCS in their My Gov account. Full fees are due until CCS is approved.
3. Families must provide Quinns Kids with each family member's date of birth and CRN at time of enrolment in order to claim CCS.
4. Families must confirm enrolments with Quinns Kids in their My Gov account in order to release the CCS.
5. Quinns Kids notifies Centrelink of each child's attendance. It is the responsibility of the family to communicate any changes in circumstances to Centrelink to avoid a change in subsidy amount.
6. Regular before or after school care bookings follow a regular weekly/ fortnightly pattern for at least a term.

**Conditions of the Service for enrolment**

All children attending the outside school hours care program must be at least 4 years of age by 30 June in the year they attend the program.

Only children who are currently enrolled in, and attend or will attend, a school in the current year attend the outside school hours care program.

e.g. A child beginning KG in 2022 may attend the vac care programme from Jan 2022, but not Dec 2021.

**Please be aware of these additional costs that may be applied:**
